## **GREAT XMAS LINES – ALL IN STOCK!**

**Xmas is coming** with only 11 weeks until the big day!  
Myers has started merchandising Xmas decorations so the silly season has officially started!

Angels and religious items have been selling through quickly; we have put the cream of these in photo quote below... All in stock (at present!)

**Credits** – It is very important that you count the Cartons on your delivery before signing the consignment note. We (or you) have no comeback on freight companies if all the cartons have been signed for and then a claim is made for missing stock. This is for your own benefit!  
Please also check that items missing have not been packed into another box with other mixed items.

Remember that we are here to help you – if you any questions – just ask! We trust you are getting busier and look forward to sharing a busy Xmas with you all.

Best Regards,

The Malmarians!
