Dear Customers,

First of all we would like to wish you a fabulous Mother's Day on Sunday May 9th. Our Mums do an amazing job and deserve to have a top day. We hope you have been having great sales leading up to Mother's Day as everyone spoils their Mum with your excellent wares...

For your sourcing convenience we have featured below 8 of our standout TOP Lines. This includes the Solar Powered Groovers, which have proved exceptionally popular, with ultra fast sell through so order now before they sell out again! All featured items are currently IN STOCK. If you need to top up on anything all our new lines and golden oldies are on the website, which is updated daily.

We are hosting our bi-annual Special Mini Showing again soon, with a range of new, and even better than ever products to stock your shelves and increase your sales. The Mini Showing will be held in our Gold Coast Showroom from June 7th to 12th. Come enjoy a Gold Coast quick break and preview Australia's most popular selling giftware. We are very excited about the new products and hope to see many of you there. Our senior reps will also be visiting Melbourne, Sydney, Perth and Adelaide to allow you to pre-order the new stock and beat the Trade Fair madness.

If you miss these sourcing opportunities, then be sure to see us at the Trade Fairs! Dates are:

Brisbane Trade Fair – 3rd July – 6th July, Sat - Tues

Sydney Trade Fair – 11th September – 14th September, Sat - Tues

Some good news for the industry, the March retail statistics have been released and show that sales are on the increase. Although not a sharp rise, at least they are going in the right direction!
